Starting School September 2022

Dear Parents/ Carers,

I am delighted your child has been allocated a place at Fremington Community Primary and Nursery School commencing in September 2022.

We are currently in the process of detailing several 'getting to know you' meetings for both you and your child.

In the first instance, I would like to invite parents to a welcome information evening on Thursday 26th May at 6pm (Lasting about an hour). Here you will have the opportunity to ask any questions about starting school and what to expect.

I will, however, very soon, be putting the important information you require in the first instance on the school website under 'Starting September 2022' and I will update this as and when things start to change. Please look out for the video too (We will update it).

You will also receive an envelope with all the necessary forms to fill in including other helpful information.

In the meantime, stay happy and safe and get to know what we look like.

I would also like to set up a dojo account with you (This is for digital communication including information, messages and videos etc between you and school) so anyone who does not attend Fremington Nursery please look out for an email in the next coming weeks.

We do look forward to meeting you all in person very soon.
