

Fremington Community Primary & Nursery School

Friday 9th June 2017

Dear Parents & Carers,

Welcome back to a rather windy second half of the summer term- we hope the weather changes for the better for our Sports days next week. You should hopefully have received the letter with details of our sports days and the Race for Life, along with a sponsorship form. We hope you are able to come along and support us.

We have included diary dates for the term overleaf- you will notice our School Summer Fete is on a Saturday this year- we hope this enables many more families to be able to come along together, as well as members of the community. We hope you can support us - the money the PTFA raises from events such as these enables us to continue to provide a high quality education in difficult financial times.

On the 22nd of June there will be a transition day for our Year 6 pupils who are leaving us to go on to Secondary school. We will use this day, as we have in the past, for all of the children to meet their new teachers and spend the afternoon in their new class. After school there will be an opportunity to meet with the class teacher informally. We will let you know by letter shortly beforehand who the new teacher will be. Having the date early during the half term will enable us to do lots of transition work with the children in preparation for their move.

Missing Jumper

Logan Phipps has lost his brand new named school jumper, with no sign of it in school! Please could you check if it's at home? Many thanks.

Being Good Neighbours.....

As a growing school we need to be considerate of our neighbours in the community. We have having increasing numbers of complaints about parking, children climbing on fences and congestion around school. We are currently developing a new school travel plan, looking at how our families get to school - compared to other schools, we have a lot of children who arrive by car and need to reduce this. We would like to hear from any parents who could suggest some solutions to this ongoing problem; for example a walking bus, 'kiss and drop' facility etc. Let us know what would help you as a family.

Library Opening

The school library will be opening after school on Tuesdays and Thursdays until 4.15pm- thank you Leanne Gore for offering to run this for us. Parents and children welcome to drop in.

the more **things** you know.
The more that you **learn**
the more **places** you'll go."
