Dear Parents & Carers,

I hope you have all found the phone calls from your child's teachers useful this week (you may have your next week). It is great to be able to talk to you about how the children have settled into their classes and for you to have a chance to tell us about your family's experience of lockdown. We spent our most recent staff meeting discussing how the children are coming back to school- overwhelmingly the children loved seeing their friends again, are very keen to learn and have got used to our new systems and routines very quickly. We have also noticed, as we had anticipated, that they would be tired in the afternoons and sometimes find it hard to be independent in their learning. As a school we are looking at how we can support children to remember their good learning behaviours.

Mrs Jenny Latham, our Lead Mealtime Assistant, is retiring at Half-Term, after many years of service at our School. If you would like to send in a card for Jenny, please feel free to do so - there will be a purple cardboard box under the sheltered area of the playground where cards can be left. I'm sure many of you will remember her smiley face even when you were pupils here!

Lorna Kimberley, Head Teacher
