

Friday 8<sup>th</sup> September

Dear Parents,

Welcome back - it has been so lovely to see you all on the playground in the mornings. The children all looked very smart and we appreciate your support with this, thank you. We realise that there were a couple of teething problems, particularly when dropping off your younger than older children. We suggest that you drop off the older children first in the playground (Year 2-6), then make your way around to Reception / Year 1. By this time, the queue for these classes will have died down a little and there will be less waiting around for you! As the days progress, timings will become tighter as we all get used to the new routines, but in the meantime, please don't worry too much – already we have noticed things are running more smoothly.

From Monday, you will be able to contact your child's teacher using the below email addresses. These email accounts will be monitored by the teacher between 8:00am and 4.30pm. Teaching staff, PPA teachers and the leadership team will have access to this inbox. An automated response will let you know that the email has been received and, where necessary, staff will get back to you. You will receive reminders and updates from teachers from this email address. Please remember that your child's class teacher should always be the first port of call. Information can then be directed to the relevant staff member / team if necessary.

In addition to this means of communication, don't forget that teachers are available to receive messages from you between 8:40am and 8:45am on the playground each morning. Members of the leadership team and pastoral team will also be present around the site at this point.

Should you need to contact the school urgently, please call the school office.

Please continue to report absence by ideally ringing the school office or using the [admin@fremingtonprimary.org](mailto:admin@fremingtonprimary.org) email address.
