Latest News

This week has seen inspections, art auctions, netball tournaments, circuit building, picture-frame making and many other exciting learning opportunities! Thank you for your support in attending learning showcases – it is great to welcome families into school so that we can work in partnership.

Mr Philps and Mrs Coley had the pleasure of taking a group of Y6s to Park School this week to take part in a netball tournament. The group are a relatively inexperienced team but grew in confidence as the tournament progressed, finishing a very respectable 11th out of 18 teams. Well done to all involved and thank you for representing the school so well.

Have a great weekend!

WELL DONE!

Behaviour

Older children continue to report unsafe behaviour in the park, MUGA and the surrounding areas. They say this is happening before and after school and also at the weekends. Very often, these fallings out then get brought into school. Children report a huge amount of swearing, bad language and aggressive behaviour. We are working hard to educate our older students about these unacceptable behaviours when we see them at school, please could you help us to reinforce this message by closely supervising children outside of school and working through any incidents with them.

School Development News

This week we welcomed HMI ((His Majesty Inspectors) into the school The last time the school was inspected was in 2017! The inspection process was fair and constructive and we enjoyed sharing with the Inspectors the journey that we are on. We will share the report with you when it is published.

Parking

We have had a plea from a couple of parents about responsible parking. Please do not park on pavements as this puts children and their families at risk.
