

Dear Parents and Carers,

We are excited to be offering a broad range of extra- curricular clubs this term. Please see the full list with club information at the bottom of the letter.

How do I request a place?

We are operating an electronic booking system for all the activities on offer. Please find the form link below to complete if you would like your child to have a place at one of our clubs. **Please complete the form by 9am on Monday 11th September.** When completing the form, you will have the opportunity to request a space at three clubs (specifying which would be your first, second and third choice). We will endeavour for all children who wish to take part in a club to get a place in at least one of their choices. Please ensure that you look carefully at which year group the club is open to. **We will inform those who have a place at the club by Friday 15th September and clubs will start w/b Monday 18th September. The last week of clubs for this term will be w/b 20th November.**

We will hold reserve lists - please let school know should you child wish to no longer attend so their place can be given to someone else.

Collection arrangements

Start of club: At the end of the school day, an adult within school will collect your child from their classroom and deliver them to their after school club. Lunchtime clubs will run around the children's lunchtime in the hall.

End of club: Children will be brought to the playground gate for collection at 4:15pm. For the safety of the children attending after-school clubs, the gate will be locked up until this point.

What will they need to bring?

If attending a sports club, please can children ensure that they have their PE kit with them in school that day. They should attend school in school uniform.
